Our mission is to inspire positive change by celebrating innovations in Science, Business, Entertainment, Sustainability, and STEM. How do we do that? We build lasting partnerships with innovative brands to bring our audience value and help build our partners’ businesses in the process.

**Educate**
The public on the world’s most important issues.

**Inspire**
New generations of innovators and doers.

**Lead**
The conversation on important topics.

**Transform**
How people view the world and use technology.

**Fall 2015 Cover Story:** Bill Nye shared his thoughts with us on climate change, STEM & STEAM, and his hope for the millennial generation.

**Winter 2016:** Special double-cover subject, Kevin Hart shares his I&T Today cover with his followers.
Innovation & Tech Today is a global leader of a new publishing model we call “New Print” – a strategy that GfK Research found has a 120% ROI.

Leveraging ultra-premium print quality ($9.99 per issue), a multi-channel digital distribution strategy, and our growing list of global event partners, we ensure our award-winning content and our advertising partners get in front of the largest possible audience.

**Highlights include:**

- 75,000 print impressions per quarter
- 4:1 pass along readership (our magazine doesn’t get thrown away)
- 275,000 digital impressions per quarter
- National newsstand distribution
- Affiliate distribution via Sustainable Brands, Green Festivals, Green Sports Alliance, etc.
- Onsite distribution at major tech events (CES, CEDIA, USASEF)
- Website & Newsletter impressions of 3.5 million per year through subscribers and page visitors.
- STEM Today - Approximately 100,000 impressions from digital distribution through the USA Science and Engineering Festival.

**Summer 2015**

Erik Weihenmayer discussed climbing Mount Everest as well as kayaking the Colorado river. After losing his sight as a teenager, he wants the world to live without barriers (hence the names of his philanthropic organizations: No Barriers, No Barriers Youth, and No Barriers Warriors)
Innovation & Tech Today is an official media partner of organizations around the world, including CES, CEDIA, USASEF, Greenbuild, and more. Our award-winning editorial and strategy has earned us national recognition from industry leaders and high-profile thought leaders alike.

Our editorial team includes veteran, award-winning business, technology and communications journalists, industry experts on top of emerging technologies, and fresh young voices obsessed with tech. Multiple award winners include Automotive Editor Michael Coates, Gaming & Entertainment Editor John Gaudiosi, and Founding Editor and Senior Writer, Robert Yehling.

But hey, you don’t have to take our word for it.

“Everyone on the Innovation & Tech Today team has been so friendly and great to work with. They have taken the time to understand ELK’s focus on true security against physical intruders and cyber threats in this “connected focused” world. They have worked with us to tell our story through more than just advertising and we consider Innovation & Tech Today a valuable resource in developing awareness for the ELK brand. We truly appreciate how they go the extra mile.”

Our audience cares about the environment, education, science communication, and discernible facts. They're looking for great stories and brands that stand for something bigger than their bottom lines.

We actively support and partner with organizations making a difference, such as USASEF, Greenbuild, Sustainable Brands, and others, which allows our advertising partners to support these causes too.
Co-Branded Digital Magazines

*Innovation & Tech Today* is a proud media partner of the USA Science & Engineering Festival. Committed to celebrating innovation and investing in our future, the USA Science & Engineering Festival perfectly complements the mission of *I&T Today*. In addition to covering the festival in Washington D.C. in 2018 & 2020, we’re increasing STEM coverage in our new extended Education section. This section is repurposed for the USA Science & Engineering to be distributed to their email subscribers. You get the culture you celebrate, so celebrate STEM!

As a proud media partner of Sustainable Brands, *I&T Today* is committed to discussing key issues in both corporate and personal sustainability including water use, food waste, electricity and fossil fuels, transportation, sustainability communications, green tech and initiatives, the intersection of business and sustainability, and more. Discussion and celebration of the strides made in sustainability are pivotal during this time in our country and planet’s history!

Native Advertising
Increase engagement with your advertising by creating (or having us create) a native ad. These ads are thought leadership and best practice articles that feel like a natural part of the magazine. Whether you write it yourself or one of our specialists writes it for you, this is an opportunity to share your company’s vision with our readers.

*We offer two native advertising options:*

- Native Advertising (Created by You) $7,000
- Native Advertising (Created by Our Team) $7,500

*No more than 500 words per ad. All native ads will be designated as “Brought To You By (Company Name)”. Native advertising produced by our team will align to our editorial standards and AP Style Guide – i.e., it’ll be thought leadership, not a sales pitch.*

Newsletter Banner Ads
Want to get your ad in front of our audience in a more personalized way? Purchase a spot in our weekly newsletter! It’ll be delivered to the inboxes of over 29,000 subscribers.
